I understand and agree that NES is providing a cash incentive for the installation of an electric water heater at the above address. In return, I agree to install said water heater at the above installation address and to allow an NES representative to verify the installation. In the event said water heater is not installed at said installation site, the participant agrees to pay back the incentive amount through the electric account billing.

NES makes no express or implied warranties or representation whatsoever concerning the fitness, suitability or condition, and NES expressly disclaim any such warranties or representations. Any warranties or guarantees relating to the installation of the water heater are limited to those provided by the contractor installing it or by the manufacturer.

Note: You must submit your original receipt for the water heater with this agreement in order to receive your incentive, and the agreement must be submitted within six months of the date on the receipt to receive the incentive. A copy of your receipt can be provided for your records.
